

Request For Nominations  
April 2019

The GMS Alumni Association will be holding its election during the reunion weekend which begins Friday August 2, 2019. The nominating committee is seeking candidates for the positions of President, Treasurer, and 2 board seats. Those interested in 1 or more of these positions should get in touch with one of the nominating committee members whose contact information is listed below.

Strong leadership determines the level of success of our organization, and we encourage our members to take an active role in planning the future of the GMS Alumni Association! Therefore, anyone seeking a seat on the GMSAA board should consider the following qualifications:

1. Be a committed member of the organization. By that, we expect you would have paid your dues in full and attended several of the meetings of the organization to have some knowledge of how the organization runs.
2. Be willing and able to continuously recruit new members and be committed to this endeavor.
3. Be willing and able to serve on at least one committee of the organization.
4. Have some knowledge of technology for the purpose of conducting GMSAAI business.
5. It is not a requirement, but it would be good if a nominee had a good rapport with the leadership of the organization.
6. One of the most important things is to be a team player because not every decision that is made is going to go the way you think it should, so you should be able to have a compromising spirit.

The deadline for letters of interest is June 1, 2019. Your letter should clearly indicate which position you are interested in running for as well as some information about yourself so that the membership knows why you would be a good choice for their vote. We will submit a report containing all nominees's names and profiles to the membership via e-mail in early July. Please note that no nominations will be taken from the floor. Only interested candidates whose names are submitted with written profiles for publication will be on our slate of candidates. So, if you are interested in running for a GMSAAI Board position, be sure to submit your information by the deadline. This process allows the membership an opportunity to learn something of your qualifications prior to the election.
